

Hello Team Member:

Now that you are in business and you are serious about your business, the key to your success is very simple: Focus & Commit yourself to succeeding!

Now it is time to: ADVERTISE! ADVERTISE! ADVERTISE! There are two areas for you to accomplish your marketing efforts: One is “**OFFLINE**” and the second is “**ONLINE**”.

**OFFLINE:** Your “Sphere-of-Influence” These can be broken down into four areas.

- (1) Your co-workers.
- (2) Your relatives.
- (3) Your neighbors.
- (4) Your social life.

***You must get everyone you know to watch your 7 minute movie at [www.website.ws/](http://www.website.ws/) [Your GDI ID]. Enter their names in your GDI invite system and let GDI go to work for you.***

Here is a suggestion: Ask them the following – “[Name] Would you do me a favor?” When they say yes, “[Name] I have a new business and I would like for you to watch a short 7-minute movie and give me your opinion?” I will send you an email with the link in the email.

**ONLINE:** There are many ways for you to market your GDI business online. Here are some FREE Advertising web sites you can accomplish some of your advertising online:
